OFFICE OF THE DIRECTOR

100 NORTH FIFTEENTH AVENUE • SUITE 401
PHOENIX, ARIZONA 85007
(602) 542-1500

January 22, 2014

The Honorable John Huppenthal
Superintendent of Public Instruction
Arizona Department of Education
1535 West Jefferson Street
Phoenix, AZ 85007

Dear John:

The Information Technology Authorization Committee (ITAC) met this date to consider the **"ALEAS Standardized Student Data Store"** project.

The ITAC voted in the affirmative for **Approval with Conditions** of this technology project as follows:

1. ADE may proceed with the assessment phase of this project, to determine the data collection requirements, business processes, technical approach, and legal requirements to implement an Ed-Fi compliant student data store. Costs are not to exceed \$630.0 thousand for the assessment phase, and ADE may not proceed with additional development efforts, until a full PIJ reflecting the technology, scope of work, costs and implementation schedule for the proposed solution has been submitted to ASET and the Information Technology Authorization Committee (ITAC) for review and approval.
2. ADE must present information to ITAC regarding an upcoming Organization Entity Management PIJ, as a component of the AELAS Ed-Fi initiative, prior to proceeding beyond an assessment phase which is not expected to exceed \$90.0 thousand in cost.

You may proceed to secure additional approvals as required from the Joint Legislative Budget Committee, the Office of Strategic Planning and Budgeting and the State Procurement Office.

The Honorable John Huppenthal
